Dear Parents

A very warm welcome back to school. We hope that you had a fantastic summer break and that you and your children are looking forward to starting a new school year. On the Infant site, we are delighted to welcome Mrs Haigh, Pipits Class teacher and Mrs Wills who will be teaching alongside Mrs Stock in Robins Class. To avoid confusion, Mrs Wills met the children last term when she was 'Miss Cardwell' but since then has got married! On the Junior site, we welcome Miss Dare as Peregrines Class teacher and Mrs Harrison who will be working alongside Mrs Goode in the Junior office.

We are very much looking forward to working with you and your children over the coming year. Attached to this letter, you will find our Autumn Term key dates detailing all our extra-curricular events, themed days, trips, performances, topic outcome days, charity fundraisers, PTFA events and more. Full details will be provided nearer to each event and we ask that you keep an eye out for updates in our monthly newsletters that will be emailed to you and published on our website: www.kingina.somerset.sch.uk

Last year we were really pleased with the success of our school values, Golden Rules and Golden Time and the impact that these had on the children's learning, outcomes and behaviour. We will be building upon these successes throughout the year and will soon be sending you this year's copy of the Home-School Agreement, for you and your child to read and sign and return to school.

During last year we introduced a system for recording the administering of children's medication in school. This requires parents to complete a medical form to be brought to the relevant school office along with children's medication. We will be continuing with this system this year and would **also** like to update our records for those children requiring the use of asthma inhalers and Epi-pens which are kept in school all year round. Please find attached to this email an Individual Health Care Plan form to be completed **if appropriate** and returned to the school office. Paper copies will also be available at both school offices. We thank you for your cooperation with this matter.

Please do come in and see me if you wish to discuss any concerns or issues.

Yours sincerely

Mrs S Svenson
Headteacher
