Welcome to King Ina's Summer Sports Newsletter

The weather has finally started getting better and we have been enjoying some of our summer sports.

Many children have also been taking part in activities outside of school at various local clubs and have been interviewed by our sports captains.

Year 3/4 Mini Red Tennis Tournament

Our tennis team did a great job at the CLP tournament with one team managing to win it! They will go forward to the finals at Millfield School.

Inter Area Cross Country

Well done to fifteen of our cross country runners who were chosen to represent Huish Area at the Somerset Inter Area Championships at Yeovil.

Year 3/4 High Fives Netball Festival

A super effort from our year 3/4 netball team in their first tournament. Mrs Bright was really pleased with their performance and is looking forward to helping them progress next year.

Fun at Osmington

CLP Cricket Tournament

We had a great day at the CLP Cricket Tournament at Curry Rivel Cricket Club.

We improved as the tournament went on, especially our bowling skills, and ended up in 5th place overall.

Girls' Cricket Coaching Day

Unlike the last two years where we had lovely weather, our girls had to endure cold wind and some rain at the Girls' Cricket Day at Huish & Langport Cricket Club led by Sophie Luff, Somerset Women's cricket captain and Western Storm player. However the girls thoroughly enjoyed themselves, learning new skills and doing lots of cricket-based activities in the afternoon.
