

# Our Learning Journey

## Weather Explorers

KING INA

CHURCH OF ENGLAND ACADEMY

**King Ina**  
**Church of England Academy**

# Some of the things we will learn about this term are:

## Seasons

The children will compare the weather we experience in each season. We will look for signs of winter and then of Spring.

We will be thinking about the types of activities we can take part in through the winter months.

## Maps and Atlases

We will be looking at simple maps of the UK, identifying the capital cities of our 4 countries and finding where we live.

We will also be making a Fantasy Island Map and using a key.

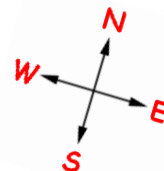

## Weather

Our main focus this term will be studying the weather. We will be measuring the wind and the rain, making kites and rain gauges. We will also be making our own 'Somerton Weather Forecast'

## Homes from Around the World.

We will be looking at some of the extreme weathers around the world and the types of houses people live in.

# Our Learning Journey

We have lots to look forward to after half term ....

WORLD  
**BOOK  
DAY**  
7 MARCH 2019

## World Book Day

We will be celebrating the annual World Book Day by 'Bringing a Clue' about our favourite books.  
Be as creative as you like.

## Science Week

This year we will be taking part in National Science Week from the 8th—17th March. Expect lots of exciting investigations during this week.

## Easter

We will spend the final two weeks of the term learning about the story and traditions of Easter.

This will include an Easter Bonnet parade on 2nd April 2019 and an Easter service at St Michael's Church Somerton on 4th April 2019.

## **Topic Outcome Day – Thursday 14<sup>th</sup> March 2019**

We would like to invite you to join us in our very own Science day.

There will be a number of investigations for you to take part in with your child.

Details to follow shortly.

There are many ways you can enhance your child's learning at home!

## Reading and Spelling

Please continue to hear your child read regularly and record a comment in their reading diary.

Spellings are tested once a week, the children will bring home new spellings every Friday to practice.

## Year One Maths

Number, place value, addition and subtraction.

## Year Two Maths

Multiplication and division, statistics, fractions and properties of shapes.

## Topic

Try to keep a weather diary, how does the weather change every day? Watch a weather forecast on TV.

Make a poster of all the winter activities you can do at home.

Make a rain catcher and keep it in your garden.

What wildlife can we see in nature at the moment?

How do animals survive the winter?
