Welcome to King Ina's Autumn Sports Newsletter

The second half of the Autumn term has meant shorter days due to the clock change so some of our sports have moved indoors. We still braved the elements to have our house football and netball tournaments though and look out for the report on our girls' football team, who qualified for the area finals at Yeovil.

Sportshall Athletics

Everyone performed well in a variety of events at the Sportshall Athletic Competition, with both the boys & girls winning their relay events.

Sports Captains

Our sports captains have now been chosen and will be assisting Mr Smith in leading, running, organising, officiating and reporting on lunchtime clubs, playground activities and house matches, including Sports Day. They are also responsible for organising and tidying the PE and Huff and Puff sheds.

School Games Certificates

Archie & Alfie were awarded School Games certificates, which are based on the values from the 2012 London Olympic Games, for Determination & Teamwork respectively, after the recent cross country race at Long Sutton. Archie was suffering with his breathing during the race but was determined to keep going to the end & Alfie, realising his team mate was struggling, ran alongside to encourage him.

House Football Tournament

The house football was a hotly-contested affair with Vikings winning the competition on goal difference from Celts.

Badminton

A super effort by our Badminton Team, many of whom had never played before, who did exceptionally well at the Huish Tournament. Several team members reached their respective finals with some of them winning their matches.

House Netball Tournament

Despite having to stop for a heavy downpour of rain near the start, everyone had a great time at the house netball tournament, expertly run by Mrs Bright. There were some impressive skills on show and Vikings emerged as the eventual winners.
