

29th March 2022

Dear Parents/Carers,

As you are aware the children have been working extremely hard and learning all about the life cycle of a butterfly and signs of Spring. To celebrate their learning, we will be having a topic outcome day. This will take place on Monday 4th April and we are asking the children to come to school dressed up in their favourite colour. All foundation stage children will get together to create a human butterfly. We will be taking part in various 'butterfly' activities, including baking. If your child has any recent allergies that the school is not aware of, could you please let the school know in advance.

We look forward to welcoming the children for a fabulous day.

Thank you and best wishes,

The Foundation Stage Team
