Pupil Premium Statement 2015/16

School Aims

We aim to ensure that every child leaves King Ina Church of England Academy excited about learning and determined to succeed. We want to equip them with confidence, resilience and a passion for lifelong learning. The targeted and strategic use of Pupil Premium funding will support us in achieving our aims.

The Pupil Premium introduced in April 2011, is provided by the Government in addition to main school funding, to address the current underlying inequalities between children eligible for free school meals (FSM) and their more affluent peers. Schools also receive funding for children who have been looked after continuously (LAC) for more than six months, and children of service personnel. It is for schools to decide how their Pupil Premium allocation is spent as they are best placed to assess what additional provision should be made for individual pupils.

Principles

We ensure that teaching and learning opportunities meet the needs of all pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups. This specifically includes ensuring that the needs of socially disadvantaged pupils are addressed.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who are eligible for free school meals, (or have been eligible in the last 6 years) are socially disadvantaged.

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We therefore allocate Pupil Premium funding to support any pupil or groups of pupils that the Academy has legitimately identified as being socially disadvantaged.

Pupil Premium funding will be allocated following annual needs analyses which will identify priority classes and groups. Half termly tracking meetings will monitor the impact of targeted support for identified pupils. Children who are entitled to receive Pupil Premium funding are: children in receipt of free school meals, looked after children and children whose parent (s) are in the forces.

Provision

We have a range of provisions in place to support children who belong to vulnerable groups, including those who are socially disadvantaged. This provision has the full support of the Governing Body and includes:

- Targeted interventions aimed at accelerating learning which may include Maths and English
- Additional support for social and emotional needs that may be a barrier to narrowing the gap
- To provide one-to-one tuition for some pupils
- Provide a free breakfast club so that children have a healthy start to the day
- To support the cost of employing a family liaison mentor who can support vulnerable families and overcome potential barriers to learning
- To support the funding towards school trips and visits
- To support the funding of enrichment activities
- To provide additional resources to support learning e.g. reading materials, homework support materials and maths games. IT Equipment
