Dear Parents and Carers

We know you will have seen in the news that schools may re-open on 1st June to Nursery, Reception, Year 1 and Year 6 pupils - **if** the government thinks it is safe then.

It is a very unsettling time for us all, but please rest assured that we are going to be doing everything we can to make sure we are ready to receive these year groups if it's safe for our school to reopen in the coming weeks.

We are creating a detailed plan that we will share with you as soon as possible, so you know what the school's reopening will look like in practice. Precautions we will be taking will include:

- Limiting class sizes
- Staggering break times, and pick-up and drop-off times
- Social distancing measures
- Strict hygiene routine
- Increased cleaning
- Keeping pupils and staff with coronavirus symptoms at home

If your child is clinically extremely vulnerable, or living with someone who is in this group, they should not come back to school and should continue home learning. If your child is clinically vulnerable (but not clinically extremely vulnerable), you should follow medical advice to decide if they should come back to school. Please refer to [government guidance](#) for further details of these groups.

In the meantime, the school is still open **only** for vulnerable pupils and the children of critical workers. We know some employers will be encouraging you to return to work, but we are not in a position right now to extend places to other children until we receive further government guidance.

We will write to you again with further details about school re-opening in due course.

Best wishes

Mrs S Svenson
Headteacher
