Friday 22<sup>nd</sup> May 2020

Dear Parents and Carers

I do hope that you and your families are all safe and well.

We thank you once again for your work with the children's home learning this week. We hope you and the children have enjoyed the tasks set. 😊

Next week is half term, although the school is still open to vulnerable children and children of key workers for most of the week. As this is officially a school holiday, the teachers will not be setting home learning activities. We hope that you all enjoy the break.

You will all know that we are preparing the school for the possible re-opening in early June for children at Owlets, in Reception, Year 1 and Year 6 and for key worker and vulnerable children. For children not attending school in June, our intention is for home learning provision to continue. Please be assured that we will be working hard to support the learning of all children who remain at home, however there might be some changes to our current provision. We will provide confirmation of details nearer the time.

An enormous amount of work is going in to the preparation of our school sites for re-opening to children in the selected year groups. Early next week we will write to parents of the children returning to school, with details of our arrangements.

In the meantime, please stay safe everyone.

Best wishes

Mrs S Svenson  
Headteacher
